

IWCV Bulletin Board

Issue 119 - September 2018

The Bulletin Board is a place for IWCV members to advertise personal items for sale, services or other information that could be of interest.

If you have something to share, send details in a brief text including your email address and phone number to tricia.stayte@gmail.com. All photos must be sent as separate attachments, not within your body of text, as the editor will do the layout. Lessons provided by members will be listed in all editions unless otherwise cancelled.

Items for sale will be listed for ONE edition ONLY. If you wish to run your advert more than once, you must contact the editor.

Neither the editor nor any member of the IWCV take any responsibility for the quality/accuracy of the details of items for sale or services offered in this document. Please be aware that it is illegal to use the IWCV distribution list as an advertising tool.

Aerial photography by DRONE gives you surprising perspectives and allow you to show unexpected angles, to enhance a natural area, an architectural design, showing a lifestyle and highlight your property. Certified Drone pilots and holder of MAP 071 of the DGAC (French Civil Aviation) we use high-quality resolution views with quadcopters.

IWCV BRIDGE

Aurora Hille has organised the IWCV Bridge club for several years with great enthusiasm. Members take it in turn to host the afternoon. Play starts at 14.30, and goes on for between three and four hours. The host provides tea and cake for the first break, and at the end of the afternoon serves a glass of wine and snacks. Aurora has all the materials for Bridge including tables and playing cards. She also does the scoring and announces the winner.

Most members play a system called '5 card major', but if your partner is in accord, you can play your own system. You do not have to have a partner to play. Once you are on the list, Aurora will email you before each afternoon and will team you up with somebody. Bridge is organised every second Tuesday on even weeks, i.e. week 2,4,6,8 etc. September meetings are on 4th and 18th. Everyone is welcome to come and play Bridge. You can play twice to see if you like it, and after the second time you pay 15 euros to join the group, and then 50 cents per afternoon. If you are a beginner, rusty or would like to change to '5 card major', Aurora holds workshops on Thursday or Friday mornings from 9.30 to 12.00. She charges 7 euros per session. You can contact Aurora on [0494675044/0668010125](tel:0494675044) or email aurorahille@gmail.com
