Lessons

IWCV BRIDGE

Aurora Hille has organised the IWCV Bridge club for several years with great enthusiasm. Members take it in turn to host the afternoon. Play starts at 14.30, and goes on for between three and four hours. The host provides tea and cake for the first break, and at the end of the afternoon serves a glass of wine and snacks. Aurora has all the materials for Bridge including tables and playing cards. She also does the scoring and announces the winner.

Most members play a system called '5 card major', but if your partner is in accord, you can play your own system. You do not have to have a partner to play. Once you are on the list, Aurora will email you before each afternoon and will team you up with somebody. Bridge is organised every second Tuesday on even weeks, i.e. week 2,4,6,8 etc. April dates are 4th and 18th.

Everyone is welcome to come and play Bridge. You can play twice to see if you like it, and after the second time you pay 15 euros to join the group, and then 50 cents per afternoon. If you are a beginner, rusty or would like to change to '5 card major', Aurora holds workshops on Thursday or Friday mornings from 9.30 to 12.00. She charges 7 euros per session, and will start her classes again at the beginning of March.

Tom and Enya are looking for a new home

Due to difficult circumstances, elderly parents in the UK requiring more frequent visits, and a husband due to retire this year who has become very allergic to cats, I am sadly looking for cat lovers to adopt both cats, together or separately.

If you have recently lost a pet or would love to have a cat as a companion please look at Enya and Tom. They are very friendly and will sit on you if you want a cuddle! Their pet passports and vaccinations are up to date and they are regularly treated for fleas and worms, in good health. They are not keen on dogs and would settle better without other cats probably.

Tom is a roundface Persian, moves slowly and makes little squeaks. Enya is a small build Somali breed, very unusual silver colouring, she is very clever and a fast mover. She is braver than Tom and will growl at intruders in the garden, whereas Tom will run and hide! They are about 10 years old.

If you or a friend would like to meet them please contact Lynne Ward at coffee or by email lynne.ward@orange.fr

Wanted – summer weekend holiday rental

My daughter and five of her girlfriends (all well behaved young women mid twenties) want to visit Fayence/ Tourrettes on the weekend of July 8th – 9th. They have left it a bit late to find anything – no one drives. If anyone has any ideas, or knows of availability, can you let me know. Thanks.
